

Redefining pharmaceutical care delivery for good

First Nation Group's Pharmaceuticals division is a trusted provider serving the government market. Guided by our 100+ years of combined experience in the ever-changing landscape of healthcare delivery, we are revolutionizing the procurement and distribution of generic pharmaceuticals. In doing so, we're delivering more value and visibility to our partners by positioning them for success while improving the lives of patients.

As a Drug Supply Chain Security Act (DSCSA) compliant and EDI capable company, First Nation Group's expansive distribution reach, superior service and support, dedication to deliver excellence, and relentless pursuit to serve empowers us to provide the very best healthcare solutions.

CORE COMPETENCIES

Pharmaceuticals: Pharmaceutical supply chain management and government distribution
Licensed sales + drug distribution

Logistics: Nationwide stocking distributor providing 99% same day fill rate
Channel management | Stocking, packing + shipping

Certifications: Providing partners and customers added value, visibility, and benefit
DSCSA compliant | EDI capable | Electronic T3 Data Serialization capable | Socioeconomic status certification

Government Services: Government relations focus with robust contract portfolio and procurement expertise
Contract management + negotiation | Regulatory compliance management | Government procurement | Financial modeling + data analysis

Custom Solutions: Build customized generic pharmaceutical portfolios to serve our Federal Government customers
Greater access to non-contracted products | Competitive pricing | Onshoring critical pharmaceuticals to ensure access | Manufacturing + repackaging capabilities to meet customer needs
